**2019-09-04:** **CP** - No homework. **Honors:** Please finish your bouncy ball lab write up.

**2019-09-5:**

**Honors:** If you did NOT finish the packets on Section 1.3 (Scientific Notation) or 1.4 (Presenting Scientific Data) please finish as Homework and turn in Monday 09/09/2019 (or sooner). These files are hard copy and will not be posted (if you were absent, come see me).

**CP** - (1) Slope problems due on Tuesday 09/10/2019 at beginning of class. Please don't wait to start. Come see me at lunch if you need help! See Files section for the slope's assignment. (2) In-class work on graphing (packet) due Monday 09/09/2019 at the beginning of class. If you need help come, see me at lunch Thursday or Friday. The file is hard copy and will not be posted (if you were absent, come see me).

**2019-09-06:** Please see what was assigned on 09/05/2019.

**2019-09-09:** **Honors** - No Homework. Extra credit opportunity presented (see files section if interested) **CP:** If you have not already done so, your slopes homework is due tomorrow! Extra credit opportunity presented (see files section if interested)

**2019-09-10:** **Honors** - No Homework. **CP:** Study for your quiz on slopes.

**2019-09-11:** **Honors** - No Homework. **CP:** Finish classwork as homework if not done.

**2019-09-12:** **Honors** and **CP:** No homework (unless you didn't finish previous work and need to catch up!)

**2019-09-13:** **Honors** and **CP:** No homework (please enjoy looking at the beautiful full moon!)

**2019-09-16 and 09-17: Honors and CP:** Study for the metric conversions quiz. Honors: 09/17 and CP 09/18

**2019-09-18 CP:** Come to class prepared to turn in your bounce ball lab report: the entire writeup + your typed and printed out conclusion (stapled to the back). See files section for guidance on lab report expectations. We also went over this in class)

**2019-09-19 CP and Honors:** Classwork not finished is homework

**2019-09-20 CP and Honors:**

- There is no official homework over the weekend. However, if you feel that Friday and Monday class time is not enough time for you to complete the ENTIRE content of the study guide, please do some work over the weekend (see files).
- Coastal Cleanup Extra credit is due Monday. Please follow instructions. See files (scroll up a bit).

**2019-09-23: Honors and CP:** If you're not done with the study guide, please finish it up as homework tonight so we can go over your questions Tuesday.

**2019-09-24: Honors and CP:** Study for your unit 1 test tomorrow. Your unit packets are due 09/26 (including your COMPLETED study guide).

**2019-09-25:** No Homework! Congrats on being done with unit 1

**2019-09-26: CP** Please read your text pages 58-66 and do questions 1a, 1b, 2a, and 2b on page 68. **Honors** Please read pages 38-44 in your book and do questions 1-5.

**2019-09-27:** No Homework unless you did not do the homework from last night.

Students who did the option 2 extra credit for Family Science Night: Your write up and photo are due October 1. No late submissions.
