

8th Grade Science, Trimester 1 Extra Credit Opportunity #2
2019 Family Science Night!

Dear 8th Grade Scientists,

The PTSA is inviting us to an exciting learning opportunity on Thursday September 26th, with over 30 hands-on, fun science experiments.

Want to earn 5 points towards folders/classwork/labs?

(hint: This category is 25% of your grade).

Here is what you need to do (the maximum number of points awarded will be 5 points. Pleased pick one option below):

1) Option 1:

If you know you're available between 5:45 p.m. and 8:00 p.m. on Thursday September 26th, and love interacting with attendees, please sign up to volunteer at the link below. **Also**, please email Mrs. Subha Tholudur (subhat@hotmail.com) and I (ycronin@conejousd.org) and let us know you will be volunteering at the 2019 Family Science Night.

You must successfully fulfill volunteer requirements per the directions of the event coordinators and be a positive role model for the attendees to earn your points.

<https://signup.com/client/invitation2/secure/2933428/false#/invitation>

2) Option 2:

Can't volunteer, but still want to participate? You should attend!
To earn your 5 points extra credit points:

- a. Register to attend: <https://www.eventbrite.com/e/family-science-night-tickets-71719702561> (space is limited so pls only register if you can actually go!)
- b. Please take a selfie or have someone take your photo in front of your favorite station
- c. In one to two paragraphs (8 sentences minimum, 16 sentences maximum) discuss what your top two stations were and **why** (what was great about them? What did you learn? Did you learn something you want to know more about?).
- d. Your submission must be typed, proof-read, and in 12-point font.
- e. Share your submission with me via email (insert your photo in your submission).
- f. Due date (Tuesday October 1) by 3:08 p.m.
